PLACE A DAY FAMILY WANT AD

...it's a great Summer Budget Booster

If the family budget seems to stretch a bit thin during the summer, park it up with a Day Family Want Ad. Bring in extra money by selling all those unused household items, sporting goods, outgrown baby furniture, bikes and such. Why store it when someone will buy it?

The Day will reach the buyers for you. In fact, only The Day reaches 9 out of 10 households daily in the Northwest suburbs...more than 200,000 readers. And the cost is a real budget pleaser tool

ONLY \$3.90 for 3 LINES for 5 DAYS

When it comes to results...

255-7200 296-6640

YOUR KEY TO SERVICE AND SECURITY

You're 20, your own man, looking for something better than the office drag.

Maybe we should get together. About a job that counts.

One that will let you earn your way with skills that come nature Where you're on the move, working indoors and out. With a great bunch of guys. Your

network in the U.S.
We'll train you at full salary.
Then we'll put you out where the action is. Things happen fast when you serve over 3,000,000 customers a day, as we need

ork in the U.S.

want your job to mean something come see us at an Illinois Bell employment office near you, It's listed in your phone directory. We're an equal opportunity

difor:
Your editorial (on Arlingop Park) contains a statement
at is pure balderdesh.
I have lived on Euclid in Aragion Heights for the past 17
sers, and last Saturday eveing, for the very first time, I we
westbound assos on Eutio western assos on Euto bumper, a considerable
stance east of the Dryden St.
hetrspection.

distance east of the Livyuers on-intersection.

This was caused by a backup all the way from the race track.

This condition leased more than one hour!

For anyone to try to tell me there were no problems with traffic is contrary to fact. Po-lice were well aware of this jam to o, since an Arlington Heights squad car was in it and turned out at Beverty Ln. to would it.

Says Night Racing Did Cause Problems

HIS APPROACH is alway constructive. You could say it is Mr. Everyman's poet las reste, with "Up With Ame ica" his recurring theme.

## **VOTERS GUIDE**

Prepared by the Leagues of Women Voters of

Arlington Heights, Berrington, Des Plaines,

### CONSTITUTIONAL CONVENTION ELECTIONS

Primary September 23, 1969 Special Election November 18, 1969

for

Residents Living in the 3rd State Senatorial District

The League of Women Voters is a stational non-partisen organization established in 1920 to encourage citizen participation

This Guide was prepared by the Lacques of Women Voters of the 3rd Senetorial District. Questionnaires were sent to candidates to obtain the information. All answers are in the words of the candidates themselves and here been edited. ONLY where answers were of too great a langth for space limitations or in the interests of olarity.

Condition are listed in the order in which they will appear on the primary bellow.

Complete questionnairm are on file with him, J.S. Mannes, Pholina.

### WHY VOTE IN THE PRIMARY?

water your past 1. Help reject the delegates who will write YOUR new state constitution.

2. See that constitutional control STAYS
IN THE HANDS OF THE VOTERS.

## HOW VOTERS ELECT THEIR DELEGATES VOTERS

Primery Election September 23, 1969 4 Candidates for Delegate to ConCon

and then

Special Election November 18, 1969 2 Delegates to ConCon

(3) Attorney at Law in private practice for 14 years.	(1) Geve lonight citalise to problems con- cluded to the control of the control of the governments, the problems of police enforcement the necessity of prison reform, (2). For opportunities to observe problems of "House- (3) I have a thorough restriction and the problems it presents for all citizens by its inflori and imprecinating.

What issues of the convention have special interest for you? Are there area in which you have special knowledge and experience?	How would you describe the role and have of the individual member of the Constitutional sention?
Of special interest to me is the re-enhancement of the neveral branches of state. Election reform is a res- thet should be brought into the light of the present. The methods of exemidate placement on ballots, etc.	from excert pass describe the rest of the second of the controlled
Particularly interested in Audited Reform, the Legislativa raticle, and the Percent article, Neurona.  A RI decided officials most make public flate and the Common of the	unkned non-parties adopted who is to intelligently work to review, amouf or swrite the State Conditionion so that our State and local governments and the state of the state o
can be obtained for all positions in government; therefore, I sen interested in the selection and/or election to the legislative, administrative and judicial.	The individual brings his knowledge and experience to bear on the committees and the total constitutional convastion. His tact and integrity working for the benefit of all for the best possible constitution.
/	contitions. Knowledgeable, in formed, annative to voter thinking, willing to devote necessary time. Will work thinking, white if of evote necessary time. Will work concept for future requirements.
The Judicial Article is of particular concern to me. Extensive experience in the trial and supplishe courts of our State has demonstrated to me that upper the court of the property of the p	The delegate to the Constitutional Convention must be a constituted to the constitution of the constituents. He will have a constituent the will have been a constituent to the people of his constituent, and the constituent of the people of his constituent constituents are constituent to the constituent and constituents.
Areas of special interest would include local government directuring and authority, tax subscript, but authority tax subscript, but a subscript and authority and authority and law feedom included government structure law, state and federal Constitutional law, and state administrative law.	The designate owns initial responsibility to falthfully represent the man of the property of the Competition of the Committee of the property of the Prope
As e practicing attorney for 10 years I have worked extensively in the field of real and personal property taxation from assessment through tax sale.	To voice the viewpoint of Red District with its problems of burgeoning growth, suffocating taxes and antiquated governmental noist ather performing no function or crying for centralization.
My particular interest will be in the juducial, revenue and educational articles of the proposed constitution, in reference to which I feet that my education and background particularly qualify no.	The role of a member of the constitutional correction — to draft a constitution.
The areas of amendment procedure and structure of the government from the capital to the local unit. I freor strengthesis; the local unit and elimination of the overlapping unit.	To provide the convention with the feetings and dusires of his district and attempt to translate those thoughts into a constructive part of the new constitution and return to his district's citizens, the feetings of the convention.
Revision of the Revense Article, including elistication of the personal property tax on individual non-business property; improvement and protection of local government, revision of provisions applicable to Schools to enable more efficient achool combinations and to provide relief from the present operate local taxes.	would work in fields where not experience would be beight. In addition to my knowledge of local preminent problems, I have served more than the past 10 years on attorney for the major achool districts in the 3rd Dist, and am very conversant with School Problems.
1-Resouse Articles, 2-Powers and composition of Legislature; 3-Powers of Governor; 4-Judicial Re-veforms, 5-Bit of Rights, 6-Hones Role; 7-Annual Re-veforms, 5-Bit of Rights, 6-Hones Role; 7-Annual Re-veforms, 10-Voting Age; 11-Joint election of Governor and Lt. Governor, Public and to private schools could become an inne.	Body the issue and related material, ettend committee meeting and essentian and over defectively with other delegate. Also work for ratification of the Committee to by the ettisens.
Revision of the avenue article, annual inplicative associate, protective associates proceeding proceeding, and the Covernor (opplier are priority) insees to me.	Delegates should reflect district opinion, be knowledgeship of general lit. needs, see mitty cond proposals had follow state grotheren, yet are palatable to the people.
Non-partian convention. 2. New approaches to local pretrament units. 3. Repail of personal property tax 4. Lengthening of legislative forms of office. 5. Appointment of executive branch officers.	The individual member should represent the residents of his district and exercise his independence of thought and action.
All aspects of the constitution — they are interrelated and must be thought of each in relation to the other. Local government and intergovernmental relations.	One must be consulted to give the convention of
I would like to see Juducial Amendment "re-reformed" particularly in the area of selection of local judges in Cook County and the retention of Judges statewise.	To extend sessions and committee meetings, examine proposals and state views and experiences.
(1) Revenue Article: Must be completely reised and polision of the property of the property of the updated and the property of the design of the polision of the future. (2) hedical Article: Must receive close accusing of the designis. (3) The question of "flome-rule" for municipalities. Yes, in all of these areas.	I believe each delegate must be a not-partition representative of all the people, who should be in a position to discuss all of the issues coming before the convention as objectively as possible.
	Area of speeds interest would include head government activities and articles to an admitty and activities; and activities are activities and activities and activities and activities and activities; and activities are activities and activities; and activities are activities; and activities are activities; and activit

## ALL ABOUT CON CON

- Q. How many delegates are to be alected?
- A. There will be 116 delegates 2 elected from each of Illinois' 58 Seruta districts. Primary elections will be held September 23. The top four vote-getters will advance to the runoff. (There will be no primary in districts where four or fewer candidates file.) The general selection will be held November 18. Voters will select two delegates from the four candidates not the helicit.
- Q. Can I cast two votes for one candidate?
- A. No. Votes cannot be cumulated, but each voter will be able to yote for two candidates.
- Q. What are qualifications of the delegates?
- A. Delegates must be 25 years of age, a citizen of the United States, five years a resident of Illinois, and a resident of the district for two years preceding his election.
- Q. What are the characteristics of a good Constitutional
- A. First, let us look at the convention body as a whole. To work well and to produce a document which will meet the needs of the poople and win their approve, Conform must represent the areas of the sase and its major political methods. It is made to the desired of the sase and its major political all coupling to the conformation of the conformation of the company of the conformation of the conformation of the conformation of the conformation sensions. Difference and deliberate speed are requirements. The convention, and conformation of the conformation of the

The public must be actively involved in the procedure, and recommendations of the convention must be openly debend, accordingly explained and centroscol to the the convention on avoid against an explained and centroscol on the the convention on avoid againstitute over tribles and concentrate on the Broad outlines of a simple, brief constitution, Concion must plan for an active carregising to applied the processing of the p

- Q. What are the characteristics of a good ConCon member?
- A. A good member of the Constitutional Convention...
  - has time to attend every session, serve on a committee, study the issues, report to his district and discuss the decisions with the people.
  - has a background of community service which gives him a broad sequeletance in the district and an appraciation and recognition of the governmental process.
  - 3. has studied the constitution and reed meterial outlining its problems and possible solutions.
  - has been, as a minimum, an observer of government in Illinois and has displayed on interest in the functions of state and local government.
  - 5. has one or more areas of special knowledge or interest supplying him with in-depth information on some issues facing the convention, but does not serve only as a representative of a single-purpose group or limited scope.
  - hes a record of fair play and absence of bias so that he can listen to many opinions and evaluate their marits.
  - works well with others but is not afraid to take a position which is justified by his study of the issue, and is not afraid to ask questions and seek information.
  - values the honor and opportunity of becoming a ConCon member and regards the position as one of service to his state.

O. How soon will the people be asked to vote on a new

A The constitutional convention determines how long it is necessary to produce its recommendation. The convention then sate a date, not less than two months nor more than six months after the allowment of the convention, at which the people will value on the proposals much be more than six months after the allowment of the proposals much be convention. Information on the proposals much be more determined to the production of the proposals much be conventionated to the production of the product

REMEMBER: A good convention is a product of the people – of their deliberate choice of delegates who can actively and effectively participate in the decision-making.

# "... you don't need to be a politician to be effective in politics."

and gat the job done.

The Worked at the State, Local, and Community Levels. Most recently, with the State of limous of Scy Ogjavis pees scentary. Prior to that, as a board member of the Eric Neighborhood House. I have been Chairman of the Board of Dascons, Winneste Presbytarian Church, a Cub Scout leader, and coach of a boy's basebell series.

Government is out of control. It is no longer responsive to the citizens

no inger responsive to the clinical of our area—any area.

Our Federal Government has become so large and remote from the people, that it is no longer responding to us—or our thinking. This we cannot tolerate.

I want your vote, I can accomplish something. I have the background, the training, and the will to get the job done.

Lee Jamon

trust Lee Janson.

This may not sound like a problem, but it is. I'm 17, and I'm taking golf lessons. When the golf pro puts his arms around me (to show me how to hold the club!) jet all quenny inside. He's a very good looking man. I'm ure he's only interested in teaching me how to play. I sure have a tough time keeping my mind on the golf teason.

#### TOPLESS PAINTING

Dear Lee Janson.

My boyfriend is a freshman in college this fall. He is an art major. He wants to plant my portrait to take with him to school. He picked out a very low-cut blouse for me to wear. I feel almost topies! in it. He say be won't do the planting if I were anything else. I/I like to have him do the portrait, but I'm afraid to wear better the proper to the planting if you have anything else. I/I like to have him do the portrait, but I'm afraid to wear

Send your questions to Lee Janson, cla Day Public 117 S. Main St., Mount Prospect, Illinois 60056.

13 reasons why

**Alan Johnston** 

Chairman, House "Con-Con" Committee. Leader in fight for reform of election procedures and the Sanitary District. Former Secretary and Director, Chicago Crime Commission. Former Chairman, Civil Rights Committee, Chicago

YOU KNOW WHERE HE STANDS

While others talk, Alan Johnston has built a record to be judged by. There is a difference between talk and action. Alan Johnston has acted.

HE GETS THINGS DONE

Deals strongly with tough issues. Prime mover in election and constitutional reform. Sponsor of key anti-crime, anti-pollution legislation. Secured House passage of state anti-trust bill of 1965.

**HE COMMUNICATES** 

B

9

Lawyer and legislator, he knows how to cut through the confusing detail of complex ideas, explain the pros and cons of important legislation and, in the Rumsfeld tradition, keep the citizens of this District thoroughly informed.

SUPPORTED THROUGHOUT DISTRICT

Following the New Trier Township endorsement, and Brian Duff's joining the Johnston committee, Alan Johnston has gathered broad and widespread support in every township in the 13th Congressional District.

RUMSFELD GROUP'S CHOICE

The key leaders and the great majority of supporters of former Congressman Donald Rumsfeld are actively backing Alan Johnston as the outstanding candidate to replace him

REPRESENTATIVE DAWSON APPLAUDS HIS WORK

Best qualified to know his capacity and stature, from her vantage point as his colleague for 4 terms in the Legislature, is the Hon. Frances L. Dawson. She enthusiestically backs. Alan Johnston and is serving as his Campaign Chairman.

STRONG VOLUNTEER ORGANIZATION

Working hard for Alan Johnston is a strc. g, dedicated organization made up of first-time voters, veteran campaigners, and hardworking precinct volunteers.

HE'S INVOLVED

Lifelong District resident, he shares your problems. With a son in service, a daughter in college, a son in high school, he is closely concerned with Vietnam, student unrest, and the quality of education.

LONG-ACTIVE REPUBLICAN

Not a Johnny-come-lately, Alan Johnston has been an active member of the New Trier Republican organization for 19 years

HE'S A WINNER

Alan Johnston has been a candidate for election to the Illinois House of Representatives four times. Four times Alan Johnston has won.

THE 13th DISTRICT DESERVES THE BEST

Rated Number-One U.S. Congressional District in level of education and per-capita income, this District deserves and demands top-caliber representation in Congress.

Send our best to Washington:
